The map of the Valladolid center is a comprehensive guide to the city's urban layout. It features a grid of streets with various names in Spanish. Numerous landmarks are marked with icons and labels, including the Hospital Clínico Universitario (46), Palacio de Congresos Conde Angulo (47), and the Estación del Norte (AVE). The map also highlights several parks and plazas, such as the Parque de las Morenas, Plaza Mayor, and Campo Grande. A large green area representing the Campo Grande is located in the southern part of the map. The map includes a legend at the bottom right with symbols for information, tourism, and rail services. A compass rose is positioned in the bottom left corner.
